FINDLAY HEARING CENTER

Hear fully. Live fully.

CHANGE IS COMING!

We are doing a special edition of our yearly newsletter to bring you all of the changes that Findlay Hearing Center is going through. Over the years our team has grown as has the need for exceptional hearing care and with that growth comes change. These changes will allow us to serve more people as we support them in their journey of better hearing.
Something that will not change is the level of care you will experience at any of our offices. Thank you for continuing to choose us! -Jodi

WE HAVE MOVED!

After being in our 930 Plaza Street location for 40 years, the main Findlay Hearing Center office has officially moved! The car dealership next door bought our building earlier this year which started the search for our new home. After finding a spot that would suit our needs as well as the needs of our patients, we have been working hard to make it our home!

New Findlay Office Location Address:
602 Central Ave. Findlay, Ohio 45840

If you have an appointment scheduled with us, YOU STILL DO! Our phone number is still **419-422-5242**. Please call it with any questions! We truly appreciate your patience and cooperation as we undergo such a large change! We are looking forward to you seeing our new space!

Some things you can look forward to at our new home at 602 Central Ave:

- more **parking**
- handicap and wheelchair **accessible**
- handicap and wheelchair accessible bathroom
- more **spacious** waiting room (you might even find Jodi sitting by the fireplace)
- larger rooms

You asked and you shall receive!

MEET DR. KYLE

We are thrilled to share that there is yet ANOTHER new member of the Findlay Hearing Center team! Dr. Kyle is an Audiologist who earned his undergraduate degree at the University of Toledo and his graduate degree at Ohio University. He brings a lot of experience to our office and a wonderful energy to our team.
Outside of the office, he enjoys spending time with his wife and two daughters. They enjoy watching movies, cheering on the Detroit Lions, and staying active by going on family walks.
Help us welcome Dr. Kyle to the FHC team!

MEET ROBYN

There's a new face in the office! Robyn started as our newest Patient Care Coordinator this summer. She brings a bright smile and warm energy to our office as she greets everyone that comes in. So, who is Robyn?
Robyn has been happily married to her amazing husband for 30 years and is the proud mom of four children and grandma to seven grandchildren. Family is at the center of everything she does, and she loves spending time with them, especially on beach vacations and traveling with her husband.

UPPER SANDUSKY UPDATE

Since opening our office in November 2024, we have gotten to do so many incredible things within the Upper Sandusky community.
